EVENT

International Stroke & Cerebrovascular Diseases Symposium (ISCDS) is an educational event conducted in conjunction with the International Congress on Interventional Neurology (ICIN) to increase awareness of stroke, share the latest scientific knowledge in diagnosis and treatment stroke and other cerebrovascular diseases, and highlight the need for joining forces to address the rising global burden of stroke.

AUDIENCE

Symposium is designed for physicians (Primary care, Emergency Medicine, Neurologists, Radiologists, Intensivists, Neurosurgeons, and Neuro-Interventionists), Nurses, Allied health professionals, and Hospital administrators.

VENUE

TAJ KRISHNA

» Taj Krishna, a part of the prestigious TAJ Luxury Hotels, Resorts & Palaces enjoys a landmark status in Hyderabad.

» Nestled in beautifully landscaped gardens, the hotel has distinctive charm, magnificent views of the city and unrivaled service.

» All symposium-related events will be held in the majestic Grand Ballroom of Taj Krishna.
